

MANAGERS MEETING MINUTES 5/31/06

- HIGH SCHOOL GIRLS TRYOUTS- There may be an issue for some of the girls that are still playing for their high school teams and state. Tryouts are on 6/2 & 6/3 with a makeup session scheduled for 6/13/06. Girls will be notified that they made a team by email.
- Donna will check with US Soccer about possibly getting our tournament on their website.
- We need to start getting a date set for our first tournament committee meeting for the fall tournament. Brenda will contact Bryce Tiller to check on this.
- Brenda Bonello is going to check with Golf Green on prices for irrigation of the fields prior to the tournament. It is approximately \$40 for 1,000 gallons of water. We are considering watering 2 times a week for the three weeks prior to the tournament.
- We need to do better advertising for the tournament. Take pamphlets to other tournaments, games etc. The deadline for registration is 8/1/06.
- CIYSL fees are going up \$100 per team this year. Our fees will need to increase to make up for this. We need to figure out what the indoor fee will be and for how many hours. We need to let people know at tryouts if possible what fees are going to be and who the team coach will be. Brenda will work on and email.
- Sponsorship- as always, we need to work on club sponsorship.
- Managers and coaches need to make sure that the garbage and water bottles are picked up from the fields when done with practice. There are a lot of bottles being run over when they are cutting the grass.
- There is talk of a club picnic. We need to get volunteers that would be interested in helping get this set up. We could possibly have Jim Derose talk.
- Uniforms- uniforms are going to be changing. This is being put on the agenda for the next meeting and we will need to set up a committee.
- Board member openings: This is going to be at next meeting. Brenda will make up list of all of the open positions.
