

SFC Officers/Managers Meeting  
September 28, 2005

**Minutes:** August 31, 2005 minutes were reviewed and approved.

**Financials:** Team finance sheets were handed out to each team in attendance.

**Indoor Soccer League:** RCSL pamphlets have been made up by Jason and are being passed out at Dist. 150 schools, daycares, 4 Kicks, Sports Corner and Dicks Sporting Goods. Also info is on the website for the winter skills training program. You need to register for what time and day you would like. This is included in the fees for SFC players.

**Tournament:** At this time there are 75 teams registered and we will be running 12 fields.

**Work day:** Work day is 10/1/05 from 9am-2pm. Scott Huffman and Lou Basso are putting together a list of things to do.

**Kick board:** Amy Keplar & Shane are willing to get the materials and build a kickboard. The cost will be around \$600 including paint and supplies. This is on hold for further discussion at a future meeting and decided for spring.

**Advertising:** Scott Huffman and Dwayne Merriman are going to work on advertising ideas and bring them to the next meeting.

**Fall Club Training Feedback:**

- \*Why is there no consistency between the boys and girls training sessions?
- \* Need more coaches to help out.
- \* Maybe split age groups for girls more because the level is too high for some of the younger girls.

**High school boys:** There will be an additional tryout for the high school boys Nov. 6, 2005.

**Open House:** 10/9/05 in the club office. Add is being put in the Journal Star.

**Next Meetings:**
