

Managers' Meeting  
10/25/06

Minutes: Approved

Discussion on Individual Player Agreement Form – There needs to be a discussion with a committee and coaches to make sure that everyone is on the same page. Possible modification to wording in some of the bullets about being in other sports. There also has to be discipline guidelines for those that don't abide by the rules. Feedback will be given to coaches and iron out wording. Lou Basso will be an arbitrator for coaches and the board. This is all for the kids. The coach makes the final decision on roster, play time etc. Once we receive coaches' ok, we will write up a final draft. Lou will report next month at Managers meeting.

Spring Tournament is set for 4/28-4/29/07. Bryce Tiller is going to be the tournament director for now. We need to decide what we are going to do with the summer tournament.

Bryce Tiller will update on Fall Tournament numbers as soon as he can. He just got the numbers tonight.

Notre Dame – Ed Olehy is not getting anywhere with Paul Necrest about softball coming to the club to practice. Lou Basso knows Paul and will talk to him.

ODP – Brenda Bonello called and left a voicemail with ODP and has gotten no response. They are using Decatur for the November ODP session. Do we want to try for the February one?

Tom Itchner is not here and the last CIYSL game has been played. The nets need to come down. He will need to send out an email of when he was going to do this. We got away from the follow-up portion. We need to revisit our committee to keeping the fields regularly maintained. There has not been a new assignment list sent out as of 8/1/06 season starting. Need to get a new one out before the start of spring season.

Facility – Mike Morgan and Sean Crow from the 96 boys team purchased crushed rock and had it spread out in the parking lot. We will hold off on more detailed work on the parking lot.

Brenda Bonello talked to Bill May, the Cat real-estate person. They talked about the semis parking in our lot. Maybe Cat could help with paving and lighting the parking lot in return for letting them park there at night. Brenda is going to send a letter and see what happens. Mike Gett will check with the head of security at Cat.

Tom Itchner, Brenda Bonello and Donna Goelz are meeting with Jim Farrell, John Myatt and Randy Weatherly from PSC. They have called the meeting. Agenda to include how do we merge the DOC, finances etc? Updates will come.

High School boys' tryouts – Jason was asked to contact schools. Dates are 11/4 and 11/11/06.

Would a SFC parent want to organize a Toys for Tots at the club? DCP is running an inner city soccer league. Carol at 4Kicks is taking donations for indoor equipment.

Brenda Bonello will talk with Nancy Auer about checking into the Santa Claus Parade.

Parent Code of Conduct – Look at sheet and see if there is a need. Something like this will be given for signature when a player is joining the team. We are not sending out at this time. The board will detail more and send out. We need to not settle conflicts on SFC property or any other soccer field.

Donna is requesting that teams send in their soccer scores for the season and she will update the website.

Donna is sending out an email for the second half of the dues that are due on 12/1/06.

Next meetings:

11/8/06 Officers Meeting  
6:30PM

11/29/06 Managers' Meeting  
6:30PM

Respectfully submitted

Margaret Lawrence  
Secretary

Attendance:

Margaret Lawrence 95 girls
