

MANAGERS MEETING MINUTES
8/30/06

MINUTES: Approved

Donna is going to check with Ed Olehy on the amount we have to pay for the ground fertilizer. She thinks it is the full amount.

Jackie McMillan from uniform committee called Carol at 4 Kicks and is getting a catalog and samples for a meeting. Donna will send an email to the club with their contact info.

Coach mileage reimbursement is currently \$0.34 per mile. IRS standard is \$0.44/mile. Everyone agrees effective immediately for this increase but not retroactive.

The treasurer position is still open. We have a desperate need. This position would share duties with Steve Couglin (Director of Finance). They would have 2 meetings a month. Anyone interested should come forward.

Tom Fenelon is working on getting the weight machine removed.

Notre Dame- Ed Olehy is checking into getting batting cages so that we can rent out time to the high school.

Big thank you to Jamie Restrapo and Tom Fenelon for all of the hard work indoors. The place looks GREAT! Furnace was fixed, filters cleaned, lights, water fountain just to name a few.

Work schedules need to be put out. Tom Itschner will send email out to team with assigned field numbers. Each team is responsible for trash, goal area, trimming and take down nets at the end of the season. The others are done weekly. We need to get extra bungee cords for the trash cans.

Extra fall tournament- the club needs to create revenue. There was interest at our tournament from younger teams. Lou would like to see it happen. It will be a US Club 10/21/06-10/22/06. Bryce Tiller is out of town with work. Brenda will work with US Club to get a date out there. Lou Basso & Bill Omalley will help out with tournaments. Some of the younger boys have CIYSL this weekend. It could be an invitational. Coaches will need to line up the teams. Possibly have Rec Tournament the same day. Maybe someone from RCSL would be interested in taking that on.

Tournament update: Bryce Tiller will update on numbers when he returns.

Issues: parking did well collecting money and parking but cones weren't picked up.

Trash: last round of trash wasn't done

97 boys didn't have any duties.

New managers: Welcome Leah Cohen of the 99 boys and Trent Alexander of the 97 boys.

Donna is updating the coaches and managers listing and everyone will get a listing via email.

We could possibly have ODP in November.

Indoor tournaments: Donna will be putting the list of indoor tournaments on the website. Teams should hand out fliers and tournaments and league games.

Per Donna go through your financial statements and double check.

Next meetings:

Board
9/13/06
6:30

Managers
9/27/06
6:30

Respectfully submitted,
Margaret Lawrence
Secretary
