

SFC Officers/Managers Meeting
1/25/06

Finances: Attached

Minutes: Not available from last meeting didn't go through email. Attached to this months minutes.

Tournament fees: Teams need to collect their tournament fees before turning in check requests. The club can't float the fees any more. There are possibilities of maybe doing monthly accounts. Need to add the money for the tournament fees to this. Combined age teams having issue with collecting all the fees, who does this? Board will check into getting a form to help with this.

Club Fundraising Ideas: Bryce Tiller came and talked in depth about a few fundraising ideas he had investigated. There is Avanti's but we haven't heard about them since it was first brought up. Krispie Creams is an idea but someone would have to drive to Bloomington to get them. Stone Cold Creamery, and Fazoli's. The owner of the Pizza Factory is very interested in helping with the club. He doesn't want to be associated with just one team. He donated cards that we could sell for \$10 each and keep 100% of the profit. He is also willing to give us a deal on ordering pizzas for tournaments etc and a discount and then we keep the profit from that also. He will even deliver the pizzas. He also talked with Sherman Williams and MAB paints to try to have paint donated to fix up the concession area. Right now individual teams are on their own.

Indoor Tournament: Poor showing of 4 teams. There were 4 boys teams from each day and 1 girls team. We need to look into advertising @ the fall CIYSL meeting. Possible have a college indoor tournament.

Spring: 11 teams have registered so far, that is about 2 ahead of where we were last year. Bryce Tiller will be the Tournament Director for the Fall tournament 8/19-8/20/06.

If anyone has ideas about the club being rented from 8-4 M-F please advise so they can be contacted. Brenda Bonello has talked with CAT.

Jim DeRose- possible fundraising at the Creighton vs Bradley game on 4/8/06. 100% at the gate will go to pediatric cancer research. We can purchase tickets for \$1 and sell ½ goes to the team and the other ½ goes to cancer research. Possible reward for highest selling team.

Rocky Vanochen also has a possible fundraiser for our tournament weekend. Soccer Night at the Chiefs game on the Saturday of our tournament. More info to come.

ODP will be here outside on 2/25 and 2/26/06. Nets need to be put up. Donna will email to let us know what field size and how many need to be set up.

Club tournament: Michael discussed Campton United Tournament on Memorial Day weekend as our club tournament. It was suggested that we watch with what weekends they are as some are falling on Spring Break. If we do club tournament what do we want to do about hotel rooms? They have a contact Patty for Rockford and Campton and St Louis Cup. For Club Tournaments only! Patriciahawkins@yahoo.com . They do comp rooms. Need to make deadline for knowing tournaments.

Next meeting:

Tournament meeting
3/1/06
5:30pm

Officer/Manager meeting
3/1/06
6:30pm

Respectfully submitted
Margaret Lawrence
