

Manager Meeting Minutes  
2/28/07

Minutes: approved

Finance: The club fees need to be paid up now. It has been suggested that if a player doesn't have his/her fees paid by play time, their player card will be turned into the office. This was not voted on but put out as a suggestion.

Fields: Per Ed Olehy, we can not do preemergent and plat grass seed at the same time. He talked with Marty OBrien and he suggested that we do the fertilizer and grass seed now and then do the weed killer later. Scott Huffman has been out working on the fields.

Tournament Committee Meeting: There was a short tournament committee meeting prior to the manager meeting tonight. We have two work dates set up, 3/24 and 3/31 from 9-2. Scott Huffman and Tom Itschner will coordinate. Some of the items on the list are repair and paint goals and general maintenance. We will have another work day 1-2 weeks prior to do the weeding and touch ups.

PSC Merger: Donna, Tom Itschner and Brenda Bonello met with PSC and all are equally anxious to see this happen. Much discussion was done about this for the rest of the meeting. Do they see any obstacle in this merger? The building is a concern. It will stay with the LLC. Bill OMalley is working on a fee schedule and a tentative agreement. There is a meeting for the PSC with its members on 3/28/07 to discuss the merger. More to come later on that.

Respectfully submitted,  
Margaret Lawrence  
Secretary

Next Meeting:  
Manager  
3/29/07 7:30PM

Attendance:  
Scott Huffman 92 boys green  
Brenda Bonello SFC Board  
Sheila Taylor 96 boys
