

Managers' Meeting Minutes
7/26/06

Minutes: Approved from last meeting

Financials: Donna will be emailing financials to teams that are not in attendance.

Team Registration: Registrations are in process and should be done by next week.

Tom Fenelon arranged with Jeff Green to use their lift to fix the lights inside. Jeff donated the bulbs. Tom is also in the process of arranging for an electrician to come in and check things out.

Ed Olehy has agreed to be our Director of Outdoor Facilities.

Open Board Positions: Treasurer: to create and oversee a budget, will work primarily with Donna.

Recreational Soccer Coordinator: will assist Jason with advertising, setting up the calendar and help with forms.

Fundraising/Event Coordinator: Will work on fundraising and possibly a club picnic etc. (Possible nominee-Beth Kehler)

Tournament Update: 46 teams at present including our own teams. We need to call people that we know to see if we can get more to come. Some combining of age groups may happen.

Fertilizer Company needs to be paid. Ed states that he has a schedule. Ed and Donna will get together to see what was done and what was paid.

Work date: Pre-tournament clean up. Saturday 8/12/06 9-4. We need to be in compliance with the Peoria County Health Dept. in the concession area. Diane Tiller has a list of what needs fixed.

Scott Gallagher- Ed Olehy is going to check into how they are doing their "friendlies" instead of tournaments. This may be something for us to think on for the future.

Uniform committee- We need to get a committee together and have them talk to Carol at 4 Kicks. They would be responsible for narrowing down the selection to 2 or 3 and then it would be voted on.

Other business: List of indoor fixes

Weight machines need to be removed as they are not Insurable. Could the possible be recycled?

Notre Dame using our facility for baseball/softball practice
This is a possible income. Talk about getting batting Cages.

Storage room behind the small field needs cleaned out.

Fix lights indoors and outdoor on a schedule (fixed)

Possibly get grids for the lights for safety reasons

Furnace needs worked on

Health Dept wants exhaust filters cleaned

Water fountain- the front is in storage room by H2O heater

Check doors

Parking lot- grade as best as we can for now. There is no Money in the budget at this time. What about Township help?

It was suggested that next year after tryouts that a copy of the roster, with contact information, is sent to the manager. This way all players can be contacted either by phone or email.
